#### **b. Biggleswade Neighbourhood Plan Regulation 16 Consultation**

Mr Dave Chetwyn of Urban Vision CIC has submitted technical responses to the Examiner's questions and the Town Council is awaiting further developments.

### **4. PUBLIC OPEN SESSION**

There were no questions from members of the public.

### **5. INVITED SPEAKER**

There was no invited speaker.

### **6. MEMBERS' QUESTIONS**

- a. Cllr Strachan asked the Town Council to arrange an informal meeting between Lead Partner from both local GP Surgeries, representatives from the Bedfordshire Clinical Commissioning Group, the Town Council and Mr Richard Fuller, MP for North East Bedfordshire, to discuss residents' well-publicised difficulties accessing medical assistance.

It was **AGREED** that the Town Council would contact the relevant parties to arrange a meeting.

- b. Cllr Woodhead said he had been contacted by a member of the public regarding the town centre public conveniences, which had been closed before the last buses have left on separate occasions over the preceding days. Cllr Woodhead asked for clarification on the opening hours and whether there has been a change in policy.

Mr Tarrant agreed to follow up on this.

- c. Cllr Knight raised the recent planning application for 19A High Street, to which the Town Council has raised its objections. He referred to building work for installing a commercial kitchen on these premises being well underway but understands that no planning application has been granted.

Mr Tarrant confirmed Officers had contacted Central Bedfordshire Council ("CBC") and had not yet received a response.

- d. Cllr Knight stated that a CCTV survey was to have been undertaken by the Town Council's current supplier. Mr Hosseini confirmed that the site visit by the supplier had gone ahead and the Town Council is awaiting the results of the survey.

- e. Cllr Albane referred to a recent email communication regarding the Transport Interchange, particularly to slides showing an option to remove traffic from the Market Square which would not be acceptable.

Cllr Russell said that the slides were proposals by CBC Officers and that Members of the Town Council had given feedback and listed their concerns to the CBC Principal Project Manager. Members have suggested alternatives and now operators supplying bus services within Biggleswade will have to be consulted. The Town Council is awaiting further information from CBC.

- f. Cllr M Foster asked for an update on the Flag Flying Policy and why the flag had not been flown on St. George's day this year. There is ambiguity about flag flying in the current policy which needs to be addressed. Cllr Knight requested that a revised version of the policy be brought to the next Town Centre Management Committee Meeting.

## **7. MINUTES AND RECOMMENDATIONS OF MEETINGS**

- a. The Minutes of the **Town Council Meeting** held on **Tuesday 12<sup>th</sup> April 2022** were received and **APPROVED**.
- b. The Minutes of the **Annual Assembly** held on **Tuesday 19<sup>th</sup> April 2022** were received and **NOTED**.

## **8. MATTERS ARISING**

- a. From the Minutes of the **Town Council Meeting** held on **Tuesday 12<sup>th</sup> April 2022**:

There were none.

## **9. ITEMS FOR CONSIDERATION**

- a. **Public Works Board Loan**

Members reviewed the report issued by Mr Tarrant relating to investment in services for the Town, the Town Council's growth needs to meet future projects and funding to support that investment.

The Department for Communities and Local Government (DCLG) has changed its criteria Public Works Loan Board loans and there is specific wording that councils are to use when applying for and potentially drawing down on a loan.

Cllr Pullinger said that following the official precept setting meeting earlier in 2022 there had been amendments to the exact list of projects. The overall limit of £425,910 for Year 1 remains the same.

Cllr Pullinger recommended changes to the wording of the recommendation as set out in Mr Tarrant's report to reiterate the Council's fiscal programme and responsibility.

## **RESOLUTION TO BORROW**

It is **RESOLVED** to seek the approval of the Secretary of State for Housing, Communities & Local Government to apply for a PWLB loan of £1,106,000 over the borrowing term of 25 years for capital expenditure and 15 years for revenue expenditure. The loan repayments for a loan of £1,106,000 would amount to around £62,184 per year at a monthly cost of £5,182.00.

**BTC will be increasing the Council tax precept for the purpose of the loan**

It is also intended to increase the Council tax precept for the purpose of the loan repayments by 4.4% which is the equivalent of an additional £62,184 a year.

### **Impact on 2022/23 Budget**

It is **RESOLVED** to seek the approval of the Secretary of State for Housing, Communities & Local Government to apply for a PWLB loan of £425,910 over the borrowing term of 25 years for capital expenditure and 15 years for revenue expenditure. The annual loan repayments will come to around £22,061 at a monthly cost of £1,838.

### **Impact upon precept 2022/23 (6 months effect)**

It is also intended to increase the Council tax precept for the purpose of the loan repayments by 0.75% which is the equivalent of an additional £11,030 in 2022/23 and 1.5% which is the equivalent of an additional £22,061 per annum thereafter. This assumes that the loan application process will take up to 6 months to conclude. It is understood that there is currently a backlog in applications.

### **Addendum**

Whilst the intentions regarding the precept are resolved, every effort will be made to avoid actual increases to the precept as a result of the loans through the ongoing cost and efficiency savings programme, revenue & income optimisation and through use of funds allocated in 2022/23 for one-off revenue projects.

Further, for clarity, the total loan requested over 5 years will be limited to £1,106,000 and no more than £425,910 will be drawn down without a further resolution of Council.

The resolution as laid out above was unanimously **APPROVED**.

#### **b. Statement of Community Involvement Consultation Draft**

Members had reviewed the consultation document.

It was **RESOLVED** that the Town Council will not respond formally to this consultation.

#### **c. Town Council Meeting Calendar – May 2022 to May 2023**

Mr Hosseini notified Members of three changes to the Meeting Calendar as attached to the Agenda. These are:

- Include an additional Town Council Meeting on 23<sup>rd</sup> May 2023.
- Include a Personnel Committee Meeting on 1<sup>st</sup> November 2022.
- Add a Town Council Meeting on 8<sup>th</sup> November 2022.

Cllr Knight requested that the Town Centre Management Committee meeting scheduled for 15<sup>th</sup> November 2022 be moved to 18<sup>th</sup> October 2022 to facilitate Christmas planning.

Cllr Pullinger requested the Finance & General Purposes Committee meeting of 21<sup>st</sup> June 2022 be moved to 5<sup>th</sup> July 2022.

The following corrections were requested:

- The Town Council meeting of 12<sup>th</sup> July be recorded as being at 7:00pm and not 2:30pm.

- The Biggleswade Joint Committee on 14<sup>th</sup> July 2022 be recorded as being at 7:00pm and not 2:30pm.

Subject to the amendments listed above, it was **RESOLVED** to proceed with the Meeting Calendar and to circulate the updated version to all Members via email.

## How coronavirus is affecting planning

We were already well prepared for agile working, operating a paper light planning application process. Most of our staff are now working from home, but can be contacted as normal via email or phone during working hours. A number of staff are working flexibly around childcare - please leave a message and they will get back to you as quickly as they can. We will of course be keeping staffing levels and workloads under constant review in light of any cases of self-isolation and childcare needs.

A small number of our planning admin team are in the office to register post, scan documents and print. However, as most applications can be registered remotely, please help us by making electronic submissions. Hard copy applications and postal comments are still being received, but there could be a delay in getting these logged as they have to be scanned in at the office. Please also be advised that we are unable to offer case history copies or other printing requests at this time.

We are continuing to consult on planning applications and consider any comments made. We will not be sending hard copy plans to parish and town councils in addition to electronic consultations. If you are unable to view plans then please contact the case officer to discuss.

Site visits by officers will only be carried out once the applicant / agent has first been contacted to discuss the suitability of a visit and whether arrangements can be made to accord with up to date advice on social distancing. Case officers will then make a judgement as to whether a site visit can be made in a safe way – if this is not possible we will discuss the potential for alternative ways of assessing the site or in appropriate cases request your agreement that consideration of the application be paused.

In accordance with the latest advice on social distancing, we are unable to have face to face meetings, so we are asking customers not to come into our offices. Your case officer will contact you to discuss alternative arrangements which could be via phone call or video conferencing.

Mill Lane, Fairground site, Land at	CB/EN/18/0028	11/01/2022 <b>Planning Appeal</b>	It was <b>Resolved</b> to <b>Strongly Support</b> the enforcement action on the following grounds: 1) The full extent of the red line area on the Site Plan impacts heavily on the amenity of the Kingfisher Way, the long-distance footpath which runs along the west bank of the river through Biggleswade. 2) The site also impacts on the Franklins Recreation Ground, which has been a facility for the town for over 100 years, long before the travelling showpeople came to the site after 1970. 3) The access to the site is not suitable and an historic lane and bridge are being damaged. The bridge is humpbacked and the narrow lane has the only remaining cobblestones in the town. Often large lorries leave the site with two trailers – so a three-part vehicle – totally unsuitable for the lane and such traffic is a danger to children using the Recreation Ground.	Alleged change of use of agricultural land to open storage.		No details as at 04/05/2022

That permission has expired and he has concerns relating to the new housing development on Saxon Drive. CBC put a number of conditions in place relating to landscaping, drainage, road surfacing, limiting times that works could be done on machinery to name a few.</p> <p>It was <b>resolved</b> that the Town Council does not object to this planning application, subject to planning conditions originally set by CBC in the previous and directly-related planning application for this same site (CB/17/02682/REG3) being met by the Applicant, with the following specific modifications, additions or clarifications:</p> <ol style="list-style-type: none"> <li>1) A revised landscaping scheme must include all hard and soft landscaping, soft landscaping on the boundaries of the site and a scheme for landscape maintenance in perpetuity for the amenity of the residents of Orchard Chase, which development has been built in the intervening time between the granting of CB/17/02680/REG and this application. In particular, the mitigation on the visual impact on residents of Orchard Chase should be considered.</li> <li>2) The consideration of effective drainage is essential, especially considering potential impact to the new Orchard Chase development bordering the site.</li> <li>3) The access road to the site must be properly surfaced with tar and adequate surface water drainage from the site to be intercepted and disposed of separately so that it does not discharge into the highway.</li> <li>4) That the restriction on working hours on equipment, vehicles and plant should be as in the previous decision notice, or aligned to the restrictions placed on Stratton Business Park, if stricter.</li> <li>5) That there be a restriction on HGV movements to be prohibited on, to or from the site between the hours of 10 pm and 7 am.</li> <li>6) That all residents on Orchard Chase be consulted in regard to this application.</li> </ol>	<p>Change of use of agricultural land to a Travelling Showpeople Site to create 4 plots. Drove Road, Land off, adjacent to 1A Drove Rd	22/00575/FULL	08/03/2022	It was <b>resolved</b> that the Town Council <b>objects</b> to this planning application on the following grounds: 1) Refuse vehicles will not be able to use the access road and bins will need to be put onto a very narrow pathway, obstructing pedestrian traffic. 2) The construction encroaches into the root protection area of trees nearby which are covered by a TPO. 3) Parking arrangements for the houses that front onto Drove Road indicate there will be a drop over the pavement, posing a danger to pedestrians using the footpath. 4) Vehicles will be reversing into the narrow Drove Road which has high traffic volume. 5) The bus stop would need to be relocated. 6) Over-development of the site for the amount of land that is incorporated in this plan. 7) The Eagle Farm/London Road junction is already very busy during peak traffic and school run periods. The additional vehicular traffic this development will bring to this junction will only compound the significant traffic flow problem experienced by users of this road. For the attention of the Mayor, Cllr Madeline Russell  
and Peter Tarrant, Town clerk and Chief Executive

At the last AGM of the Biggleswade Twinning Association held on 31<sup>st</sup> January this year three of our four Honorary Officers submitted their resignation.

There were no nominations for any of these posts making it impossible to form a new committee.

In recent years we have made considerable efforts to recruit new members with little success. Currently we have a very small membership.

The majority of our current membership was involved at the very beginning of the enterprise and over the past twenty-two years we have made life long friends both within our Biggleswade group as well as with our Twinning friends in Erlensee.

As an alternative to the formality of the current Association we are proposing that we set up instead a Friendship Group formed from those of our existing members who all have the desire to meet up socially as well as with our friends in Erlensee. We certainly believe that maintaining contact with our friends in Erlensee is vital and entirely appropriate and will continue to foster the many friendships that we have cultivated in Germany and locally.

We have discussed (by Zoom) the situation with our friends in Erlensee who have responded by email as follows:

**'We all fully understand the decision which you have taken and hope for a continuation of our twinning and friendship.**

**Erlensee's Hof- und Gassenfest will take place on July 16/17 and we would like to invite our Biggleswade friends to join us on this occasion.'**

Several of our Biggleswade Twinning group intend to take up this very kind invitation.

At the Twinning Association AGM the Treasurer informed the meeting that £748.49 is currently held in the Association's bank account. The meeting suggested that some of this money be spent on planting another tree in acknowledgement of the continuing Twinning friendship between Biggleswade and Erlensee and we would appreciate the Council's support and assistance in this project. It was agreed that any remaining funds would be divided between three local charities.

We look forward to hearing from you.
